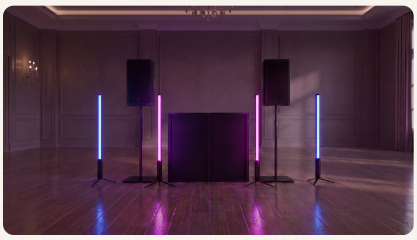
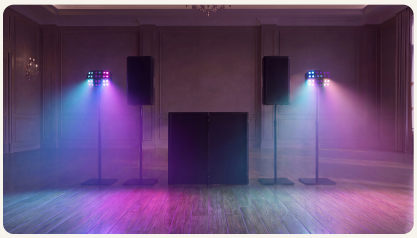
Uplighting

Color on the walls brings the room together and makes your space feel part of the celebration.



360 Light Tubes

Glowing tubes add color and shape around your setup, creating a distinctive visual backdrop.



Dance Floor Wash Lights

Wide pools of color help define the dance floor and give it a lively, welcoming look.

Moving Spotlights

Focused light moves across the room. Haze makes airborne beams more visible.

Moving Wash Lights

Wide, moving color adds energy across the space. Fog/haze depends on venue permission.
